SESSIONAL PAPER No. 1

APPROPRIATION, RIVER ST. LAWRENCE SHIP CHANNEL  
EXCEEDED.

DEPARTMENT OF MARINE AND FISHERIES, Dec. 19, 1914.

SIR,—With reference to the overdraft of some \$110,000 which appears in our appropriation "River St. Lawrence Ship Channel," I beg to state that it is accounted for by the fact that a certain number of transfers of expenditure from various votes reached this department too late to be credited to vote "Ship Channel;" or, again, accounts against other departments were paid after the fiscal year was closed. The amount of such transfers and accounts is approximately \$28,000.

I may also add that the stock on hand at end of fiscal year 1913-14 exceeded the value of stock on hand in previous years by some \$20,000; also the sum of \$50,595.95 expended for improvement on the yard was charged to "Ship Channel" instead of to the "Dredging Fleet," under which it was voted, and no transfer was made.

Finally, the sum of \$16,956.40 was expended for the water levels of St. Lawrence River investigation, for which no provision had been made.

This explains the overdraft and in this connection I may say that direction has been given to avoid such occurrences in future.

I am, sir, your obedient servant,

The Auditor General.

C. STANTON, *Assistant D. M.*

The net revenue as above was deposited by the wharfinger, Mr. G. A. Boyd, in the Imperial Bank at Sault Ste. Marie, on the 14th of July last.

According to your letter of August 6, 1913, you say the wharf was being reconstructed and would not be completed until the close of the season. I shall be glad to know if the work is now finished, and if during its progress, the condition of the wharf was such as to prevent the handling or receiving of freight during the balance of the season from July to December, inclusive, the period for which no receipts have so far come to account.

I am, Sir, your obedient servant.

J. FRASER, A.G.

The Deputy Minister of Marine and Fisheries.

SESSIONAL PAPER No. 1

DEPT. OF MARINE AND FISHERIES, OTTAWA, March 5, 1914

SIR,—I beg to acknowledge receipt of your letter of the 19th ult. with regard to the returns furnished by the wharfinger at Sault Ste. Marie for the present fiscal year.

In reply I am to inform you that this matter is being taken up with the wharfinger, and the information asked for in your letter will be furnished at an early date.

I have the honour to be, Sir, your obedient servant,

A. Johnston, D.M.

The Auditor General.

---

AUDITOR GENERAL'S OFFICE, OTTAWA October 28, 1914.

Sir,—I wrote you on February 19 last that the wharfinger at Sault Ste. Marie wharf had forwarded collections for only April, May and June, 1913. You replied on the 9th of March that the matter was being taken up with the wharfinger, and that the information asked for would be furnished at an early date. Although more than seven months have elapsed, no further information has been furnished, nor have any returns or collections since come to account.

The receipts from this wharf are quite large, and the wharfinger should be required to comply with the Executive regulations respecting the receipts and accounting for of public moneys. I shall be glad to know what steps you have taken to enforce the carrying out of these regulations.

I am, Sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Marine and Fisheries.

AUDIT OFFICE, OTTAWA, October 29, 1914

*Re Digby Wharf.*

Sir,—The net revenue which came to account from Digby wharf during the last fiscal year, shows a falling off of \$1,222.59, as compared with the previous year. This decrease is explained in part by the collection for February and March not coming to account in time to be credited to the year they properly belong. The returns and deposit receipts furnished give the following particulars:—

The Treasury Board regulations require that collections should be deposited to the credit of the Receiver General daily when they amount to \$25, otherwise when that sum has been received. Please let me know why the wharfinger did not carry out these regulations? I cannot find any trace of either returns or collections coming to account for February. Kindly let me know if collections were made and if so, how they were disposed of.

I am, Sir, your obedient servant.

J. FRASER, A.G.

The Deputy Minister, Marine and Fisheries.

- (a) Receipts for Feb. 1914, \$298.91; did not reach this office till Nov. 10.  
 (b) The receipts for February and March are credited to 1914-15.

DEPT. OF MARINE AND FISHERIES, OTTAWA, November 18, 1914.

SIR,—With further reference to your letter of the 29th ult., in regard to revenue collected at Digby wharf, I beg to enclose herewith a statement received from the Agent of this Department at Halifax which shows that the revenue has been increasing steadily since the last four fiscal years.

I have to state that if the Wharfinger at Digby, N. S. did not comply with the Treasury Board regulations which require that collections be deposited to credit of Receiver General daily when they amount to \$25.00, it is due to the fact that the collections at Digby are practically all from the Canadian Pacific Railway Co. and the Wharfinger is only able to get a monthly settlement from them.

I am, Sir, your obedient servant,

A. JOHNSTON  
 Deputy Minister.

The Auditor General, Ottawa.

*Re Fisheries Revenue—Fines and Sales.*

SIR,—I am to draw your attention to section 102 of chapter 45, "An Act respecting Fisheries and Fishing" which reads as follows, viz.:—

"His Majesty's share of each penalty and all proceeds derived from the sale of confiscated articles under this act shall be paid to the Minister of Finance through the Department of Marine and Fisheries, and be applied towards the expense incurred for the protection of the fisheries."

The following amounts have been forwarded during the present fiscal year to the Finance Department as above directed, viz.:—

		Fines.	Sales.
Fisheries Statement No. 1.....		128 50	108 68
Fisheries Statement " 2.....		2,632 80	905 61
Fisheries Statement " 3.....		646 00	317 15
		<hr/>	<hr/>
		\$ 3,407 30	\$1,331 44

I should be pleased if you would have these amounts credited to the appropriation for "Salaries and Disbursements of Fishery Officers."

I am, Sir, your obedient servant,

The Auditor General.

C. STANTON, *Acting D. M.*

AUDIT OFFICE, OTTAWA, January 5, 1914.

SIR.—I am in receipt of your letter of the 27<sup>th</sup> ultimo asking that the fines and sales of seizures should be transferred from Fisheries Revenue to the credit of vote for Salaries and Disbursements of Fishery Officers.

In support of this demand you quote a section of the Fisheries Act, which reads that these fines and sales shall be applied towards the expenses incurred for protection of the fisheries.

In reply I beg to say that this provision in the Act is only intended to apply to the payment of expenses in connection with the seizures and the prosecution of persons for infraction of the Act.

The law requires that all revenues must go to the credit of Consolidated Fund, and cannot be paid out again except as a refund of expenditure made in connection with the service from which the revenue has been derived, and this only where no provision has been made in the supply bill for this expenditure.

Parliament has provided funds for the Salaries and Disbursements of Fishery Officers, in the Supply Bill, and this vote cannot be implemented by crediting the vote with revenue derived from fines and seizures.

I am therefore unable to comply with your request.

I am, Sir, your obedient servant,

J. FRASER, *A.G.*

The Acting Deputy Minister, Marine and Fisheries.

**Aid to Civil Power, Nanaimo—Vouchers not received.**

AUDIT OFFICE, OTTAWA, December 4, 1914.

SIR,—I beg to call your attention to the expenditure under Aid to Civil Power vote during the fiscal year 1913-14.

In connection with the Nanaimo strike the paymaster of Military District No. 11 issued advances aggregating \$187,046.27 for pay and subsistence of officers and men and for sundry camp supplies. This office has not yet been furnished with the vouchers covering these payments.

Some months ago inquiry at the Accountant's Branch of the Militia Department elicited the information that vouchers were being held by the paymaster at Victoria, B.C., pending revision. Subsequent queries received a like response.

I would urge that the necessary measures be now taken to ensure production of the vouchers without further undue delay.

I am, Sir, your obedient servant,

J. FRASER.

The Deputy Minister of Militia and Defence.

---

**Manceuvres in England—Advances not accounted for.**

AUDIT OFFICE, May 19, 1914.

SIR,—On January 13, 1914, application was made by the Department of Militia and Defence for the transfer of \$194 from Annual Drill to Civil Government Contingencies—this sum comprising advances of \$97 each to Miss Ena McAdam and Miss Isobel McAdam, received by them while attending European Manceuvres, 1913.

In a memo. from this office, dated April 20, 1914, the attention of the Accountant and Paymaster General was drawn to the fact that no vouchers had been furnished covering these payments and informing him that pending receipt of *itemized accounts* the application for transfer was being held.

I am now in receipt of duly certified statements covering the advances. To conform with the regulations governing travelling expenses these must be supplemented by *itemized accounts*.

I trust that the matter may be promptly adjusted.

I am, Sir, your obedient servant,

J. FRASER,

The Deputy Minister of Militia and Defence.

## DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, May 26 1914.

SIR.—I am in receipt of yours of 19th inst., asking for an itemized statement of expenses against the \$97 advanced to each Miss Ena McAdam and Miss Isobel McAdam, private secretaries, on account of travelling expenses, while accompanying the Minister to England and the Continent last summer, and in reply am to say that it is extremely regretted that no itemized account of expenses was kept and that it is almost impossible now to prepare one.

I am to point out, however, that as the period covered was from the 30th August to the 18th October, the total amount which they each drew for travelling expenses, viz:—\$197. was not at all excessive.

I have the honour to be, Sir, your obedient servant,

EUG. Fiset, *Colonel*.

The Auditor General, Ottawa.

NOTE:—In connection with the same trip, payments were made by the Accountant of Contingencies, as per following statements of account:—

## Transport requisitions issued to Civilians.

AUDIT OFFICE, June 18, 1914.

SIR.—I wish to call your attention to some of the Transport Warrants which were issued by your Department during the last fiscal year and charged to Militia. I enclose herewith a list of the warrants referred to and would like to know whether they were issued for Civil or Military services. It appears to me that some of them were for the former service and if so should be charged to Civil Government Contingencies. The warrants do not show under clause (b) the nature of the service but in most cases say "Minister's Orders."

I am, Sir, your obedient servant,

J. FRASER.

The Deputy Minister of Militia and Defence.
